## **CONSORTIUM – 2025**

### **A National Level Student Technical Fest**

**(31 October - 1 November, 2025)**

#### **Techno Hunt – "Divide And Conquer Beyond Your Limits"**

#### **1. Event Description:**

Get ready to ignite your inner tech explorer in “Decode & Conquer”, a thrilling 2-day technical treasure hunt that blends brainpower, coding, and adventure! This isn’t your average hunt — it’s a high-energy quest where each clue challenges your logic, coding skills, and teamwork. The event unfolds in two intense phases:

**Day 1:** The Eliminations – Compete through mini technical quizzes, code-breaking challenges, and online puzzles to qualify for the final round.

**Day 2:** The Grand Hunt – Embark on an immersive indoor-outdoor adventure, completing real-time missions, solving cryptic tech clues, and racing against time to find the final treasure.

#### **2. Rules and Guidelines**

- Each team will have 4 participants and the event is open to students of all branches.
- The hunt will have multiple rounds with technical and logical clues to solve.
- A time limit will be given, and the team completing all tasks first will be the winner.
- Participants must report on time to the venue as per the schedule.
- Mobile phones, laptops, or any electronic devices are not allowed during the rounds unless permitted by organizers.
- Fair play is mandatory – any form of cheating, plagiarism, or unfair assistance will

lead to disqualification.

- Teams must follow the instructions of coordinators throughout the event.
- Clue sharing between teams is strictly prohibited.
- Judges' and organizers' decisions are final and binding.
